

Logging in to your Homeowner's Portal is easy!

The screenshot shows the homepage of the Presidential Valley Home Owners Association. At the top is a banner image of a garden with yellow and orange flowers. Below the banner is the association's logo and name. A navigation menu includes 'HOME', 'FAQS', and 'HELP!'. The main content area features a 'Welcome Neighbor!' message and a 'Log In' section. The 'Log In' section has a link for 'I forgot my login/password', input fields for 'Email' and 'Password', a checkbox for 'Keep me signed in.', and 'Log In' and 'Sign Up' buttons. A 'Sign Up' button is also visible below the 'Log In' button. Two blue callout boxes provide instructions: one for logging in (entering email and password) and one for signing up (clicking the sign up button). Below the main content are three FAQ sections: 'How do I get a login?', 'How do I make a payment?', and 'How do I submit a service/maintenance request or another question?'. A 'See all FAQs' link is at the bottom left.

Logging In
Enter your Email and Password and click Log In.

Don't Have a Password Yet?
Click the Sign Up button to register.
